- (a) A lower-cost light meter is the Sekonic L-308S, price approx. \$208
 (b) A lower-cost tripod is the Induro AKP 0, price approx. \$121
 (c) A lower-cost external hard drive is the Western Digital 500GB, price approx. \$91
 (d) A digital camera option is the Canon 70D w/18-135 lens, price approx. \$1549.00
 (e) It is recommended that students wait to purchase such a digital camera, until just prior to the second semester.

- Students may find better prices than Antonelli school store prices, especially for bulk purchases.
- All items in the kit are needed on the first day of the semester listed above.
- If ordering through the school store, you must place your order for the first semester kit no later than July 15 to receive
- Second semester kit orders must be placed through the school store by 11/21 to receive discount and to assure arrival by the first day of the 2nd semester.
- OTHER COSTS (matte boards, paper, film, portfolio, portfolio box, website, field trips): Please be reminded that supply costs (over the cost of the starter semester kit) will total approximately \$1400-\$1700 for each academic year (see the Interview Book given to you during the Admissions process and the Academic Catalog).

When ordering, please email orders@antonelli.edu. Be sure to include your first and last name and note which semester photography kit that you are ordering.
